District Attorney Begins Crusade Against Crime Declared to Be on Increase.

District Attorney Swann, at the instance of the Justices of the Supreme, City and other Courts of Record, has begun a campaign against false swearing in the courts. The first arrest in a series which is contemplated was made to-day by Detective Gallagher and Cuffin of the District Attorney's office. Eight other cases are now before the Grand Jury.

Aaron Falek, thirty-seven years old, a salesman of No. 1095 Prospect Avenue, the Bronx, was arraigned before Magistrate Corrigan in the Centre Street Police Court on three charges of perjury and one of forgery. At the request of Assistant District Attorney Edwin Kilroe, Magistrate Corrigan committed Falek to the Tombs until Wednesday, Mr. Kilroe assuring the Magistrate that indictments against the prisoner would be filed with Judge Crain in General Sessions by the Grand Jury before that time.

Falek's arrest is due to Judge Edward H. LaFetra of the City Court, who sent to District Attorney Swann a certified transcript of Falek's testimony in a suit the latter brought against a man named Kalish, tried before Justice LaFetra on May 9. There Falek testified that he had not indorsed a note for \$500, when the evidence, it is alleged, of other witnesses proved to the satisfaction of the Judge and jury that he had made the indorsement, signing another's name.

Following a conference of the Supreme Court Justices and the Justices in charge of other courts of record, District Attorney Swann established a Bureau of Perjury, in charge of Mr. Kilroe. The feeling has been among the Justices that considerable perjury was being committed and that it was on the increase, especially in civil actions.

Heavy Hitting by Willy Baldwin. Woodward, Baldwin & Co. had their annual outing at Grant City, S. L., on Saturday. The principal feature was the baseball game between the Sales Force vs. the Office, which the salesmen won by 20 to 0. Heavy hitting by Willy Baldwin and Dick Foster's narrow escape from breaking his neck while sliding were the chief incidents. To wind up the day there was a show-dance, at which Joseph Rowan, the well known lawyer, spoke, and F. F. Walsh sang "Maryland, My Maryland," maintaining his reputation as a Brooklyn song bird.

MODERN. A Salina (Kan.) bridegroom has been arrested on the charge of chicken stealing.

Abraham Goldstein Missing. In search of employment, Abraham Goldstein, sixteen years old, of No. 1147 Tiffany Street left his home on June 2, and since then all trace of him has been lost. He is 5 feet 6 inches tall, weighs 130 pounds, has dark brown hair, gray eyes and a small mole on the right cheek. He wore a blue serge suit with perilled stripes and tan shoes.

I am offering you the greatest bargains in made-to-order clothing, cost of materials, labor, &c., considered, in the City of New York. When the average working-man's dollar is only worth in buying capacity about fifty cents, and labor unions, who make the clothes I offer you are only working forty-eight hours to the week, and the garments are cut under the skilled eye of the highest-salaried designer of custom clothing in the country, I would make June the greatest month since I started in business. Put aside your doubts and

skeptisms and come into my store. Ask for each and every item in this advertisement. Tell the salesman you want to see ten styles at least of Mystic Worsteds. Ask for Shepard Plaids and English Cheviots. Bring in your sixty-five-cent friends. I insist that every man entering my store will be treated with courtesy, irrespective of his size or build.
